

The April Mission Moment is Grace House, a residential home and program for men in a transitional phase of life. Grace House Ministries is a partnership with Hope's Point Baptist Church. They opened the doors to their first home on December 1, 2012, as well a second home in the summer of 2013. Currently, they house and serve over a dozen residents. They hope to expand their ministries in the coming years to include multiple areas of recovery and rehabilitation.

In addition to monetary gifts, donations of men's clothing and shoes, candy, homemade blankets, and Bibles would be appreciated. A list of needs is on the Narthex table.

We will be serving the Salvation Army lunch on May 7. Please see Janet Compton if you can help.
